TERMINAL DISCLAIMER

Filed herewith is a Terminal Disclaimer disclaiming a portion of any patent that may issue from the subject application relative to issued patent number 6,725,080. On November 23, 2009, Applicants submitted a Terminal Disclaimer that should not be recorded by the U.S. Patent and Trademark Office due to a typographical error listing a disclaimer over Patent No. 6,275,080. On December 8, 2009, Applicants' representative, Michael Taylor, contacted Examiner Erin Colello regarding the Terminal Disclaimer filed November 23, 2009. During the telephone discussion with the Examiner, it was requested that the Terminal Disclaimer filed on November 23, 2009 should be removed and not recorded by

the U.S. Patent Office. Examiner Colello stated it would be removed and not recorded.

Filed herewith is a Terminal Disclaimer listing a disclaimer over U.S. Patent No. 6,725,080. Applicants believe that the Terminal Disclaimer fee paid with the Terminal Disclaimer filed on November 23, 2009 should cover this Terminal Disclaimer, as the previous Terminal Disclaimer will not be considered or recorded. If the Terminal Disclaimer fee must be paid with this Terminal Disclaimer authorization is hereby given to charge the deposit account 08-0750 in the amount of \$130.00 for the filing of the Terminal Disclaimer.

If any further information is required, please contact Applicants representative noted below.

Respectfully submitted,
